Significant features and benefits of the Club Marine Pleasure Craft Insurance Policy

By way of summary only, this Pleasure Craft Insurance provides the following covers:

Section 1 Accidental Loss or Damage to Your Boat

This section covers Accidental Loss of or Damage to or Theft of Your Boat and certain other property up to the sum insured and limits specified in the Schedule or this document. Specific limits apply to certain property such as Fishing Gear, Water Ski Equipment, Diving Equipment, Tools and Personal Effects. You may select for Your Boat to be insured on either an Agreed Value or Market Value basis. This determines the way in which a claim for Total Loss or Constructive Total Loss is managed and settled.

If Your Boat is insured for Market Value, the amount We pay may be less than the Sum Insured shown on the schedule, being determined with reference to the actual value of Your Boat to which the Total Loss or Constructive Total Loss relates immediately prior to the loss. The Sum Insured, in this case, is a maximum amount only.

If Your Boat is insured for Agreed Value then the amount We pay will be based on the value of the Boat to which the Total Loss or Constructive Total Loss relates as agreed between You and Us at the time the Policy is taken out, renewed or updated.

Section 2 – Liability to other people

This section covers Your and certain other persons' legal liability to pay compensation for property damage, and in some cases death and Injury, up to the sums insured noted on the Schedule (including legal costs and expenses) to other people in certain circumstances.

Section 3 – Injury to the Named Insured

This section covers Named Insureds up to the sums specified in this document and the Schedule for death and certain specified Injuries.

If more than one person is a Named Insured, the amount paid to each insured will be the amount payable under this section divided by the number of insureds.

Please refer to each cover section for details of the basis on which We settle any claim under the above cover sections.

Make sure You understand what is and is not covered

Section B of this document sets out the cover(s) We are able to provide You with. You need to decide if the limits, type and level of cover(s) are appropriate for You and will cover Your potential loss. If they are not, You may be underinsured and have to bear part of any loss You are not covered for Yourself.

Not everything is covered by this Insurance. Policy limits and conditions apply. It is important that You read this document carefully, so that You can understand what We cover and the limitations.

Read 'Words with special meanings' (see pages 10 to 15) to ensure You understand what We mean by terms used in relation to the cover We provide. For example 'Market Value' and 'Agreed Value' are defined terms that affect what We cover You for.

Make sure You understand what We specifically exclude. Each cover has specific exclusions that apply to it.

You should also ensure that You comply with the 'General conditions' and 'Claims conditions' of the Policy which set out certain obligations that You have. If You don't comply with them We may refuse to pay a claim.

We will only cover Your interest in the insured property unless We specifically include cover for the interest of a third party.

For full details of what We do and do not cover please read this document together with Your Schedule once issued.

Excess

If You make a claim under Your Policy You may first have to pay an Excess. We pay the relevant amounts We cover You for above any Excess. We tell You when You apply for cover what Excess(es) apply and the amount(s). We specify any Excess on the Schedule when We issue cover.

Applying for cover

To apply for this insurance You must complete Our application form and send it or submit it online to Us. Depending on the information You provide on Your application, We may ask You for further information.

When completing the application or providing Us with additional information in relation to Your application, You must comply with Your Duty of Disclosure. For details of this duty refer to 'Your Duty of Disclosure' on page 40 of this document.

Where We agree to provide cover We will issue You with a Schedule which sets out:

- The Period of Insurance;
- Your premium;
- The covered property;
- The limits for those covers;
- The Excesses that will apply to You or others; and
- Any variation to the standard terms.

The premium We charge You is based on a number of factors including Your risk profile (e.g. where Your Boat is located, the type of Boat being insured and its value, and Your insurance history etc.) It includes any amounts that take into account Our actual or estimated obligation to pay any relevant compulsory government charges (eg Stamp Duty and GST and Fire Services Levy where applicable) in relation to Your Policy as well as other additional charges We tell You about.

We will tell You, when You apply, what premium is payable, when it needs to be paid and how it can be paid. Additional charges may apply if You pay Your premium by instalments. Special conditions also apply to instalment payments – see the "General conditions" section of this document for details.

You may be eligible for a 'No Claim Bonus', which is a discount off Your premium. The No Claim Bonus You receive will depend on the number of years You have insured Your Boat and the number of claims You have had. You are eligible for the maximum No Claim Bonus if You have experienced no pleasure craft related claims in the last five years.

Your Schedule will show a no claim rating from 1-5.

The No Claim Bonus works as follows:

Rating 1 – receives a 25% discount

Rating 2 – receives a 20% discount

Rating 3 – receives a 15% discount

Rating 4 – receives a 10% discount

Rating 5 – receives no discount.

Your No Claim Bonus will be reduced by 2 ratings for any claim You make under the Policy. (e.g. If You were on a No Claim Bonus rating 1 and make a claim Your next renewal would be offered on rating 3). Where You do not have a rating 1, You improve one rating each year that You do not make a claim. The above discounts may be changed by Us on renewal and We will tell You when this is the case.

For each claims free year You have with Club Marine without a break in cover, Your Policy gains protection points. Once You have five (5) protection points (i.e. 5 years claims free) and then make a claim, Your No Claim Bonus rating will not be affected by that claim. However any subsequent claims may affect Your No Claim Bonus rating.

Receiving Your policy documents

You may choose to receive Your policy documents:

- electronically (by email); or
- in hard copy (by post).

In the event that You choose to receive Your documents electronically, We will send them to the email address that You provide Us, not Your mailing address. Any documents sent by email will be considered to have been received by You 24 hours from the time We sent them to Your email address.

If You do not tell Us to send Your documents to You electronically, then We will send them to You by post to the mailing address that You have provided Us.

It is Your responsibility to make sure that both the email and mailing address You have provided Us are up to date. This means You need to let Us know if You change Your email or mailing address as soon as it happens.

Cooling off period

You can ask Us to cancel Your policy within 14 days from:

- the date We issued You a new policy; and
- the start date of a policy that You have renewed and in either of these situations, provided You have not made a claim or an event has not occurred that could give rise to a claim on Your policy, We will refund Your premium.

We may deduct from Your refund amount any reasonable administrative and transaction costs incurred by Us that are reasonably related to You buying and cancelling Your policy and any government taxes or duties We cannot recover.

In addition to Your 14 day cooling off period You have cancellation rights (see 'Cancellation rights' on page 29 for full details of Your cancellation rights).

Paying Your premium

You must pay Your premium on time. You can pay Your premium as a:

- lump sum annually; or
- in monthly instalments by direct debit from a bank account or credit card You nominate.

What happens if You don't pay Your premium on time

You need to pay Your annual premium or instalments by the due date. If You do not pay Your premium by the due date, Your policy will be cancelled and You may not be able to make a claim. A monthly instalment will be considered unpaid by Us if it cannot be deducted from Your nominated account or credit card. If an ongoing monthly instalment is unpaid for 14 days or more after the due date then We will refuse a claim for any incidents that take place during this time. We may deduct any outstanding premium amount or incorrectly refunded premium, from any claim payment.

Section B – Your cover

Where We have agreed to cover You, Your Policy will consist of:

- This printed Product Disclosure Statement, which sets out details of Your cover and its limitations;
- The Schedule We issue to You, which shows the terms and conditions that apply specifically to You, such as the Excesses that apply, the maximum speed of Your Boat and any Geographic Limits; and
- Any written endorsements We issue amending the terms of the cover or any other document that We tell You forms part of the terms and conditions of Your cover.

You should carefully read and retain this document, the Schedule and any other document referred to above. These documents should be read together as they jointly form the contract of insurance between You and Us. Any new or replacement Schedule We may send You, detailing changes to Your insurance or the Period of Insurance, will become the current Schedule, which You should carefully read and retain.

Where We have agreed to cover You We will insure You for the cover(s) specified on the Schedule for the Period of Insurance on the basis:

- that You have paid, or agreed to pay Us the premium for the cover(s) You selected when You applied for this insurance and which the Schedule indicates are in force;
- of the verbal and/or written information provided by You which You gave having been advised of Your Duty of Disclosure either verbally or in writing. If You failed to comply with Your Duty of Disclosure, We may be entitled to reduce Our liability under the Policy in respect of a claim and/or We may cancel Your Policy. If You have told Us something which is fraudulent, We also have the option of avoiding Your Policy from its beginning.

For Your assistance We have provided a full explanation of Your Duty of Disclosure and the consequences of non-disclosure under the heading 'Your Duty of Disclosure' on page 40.

GST Notice

This Policy has a GST provision in relation to the premium and any payment by Us to You for claims. It may have an impact on how You determine the amount of insurance You need. Please read it carefully. Seek professional advice if You have any queries about GST and Your insurance.

Sums insured

All monetary limits in this Policy may be increased for GST in some circumstances (see below).

Claim settlements – Where We agree to pay

You may have to contribute the basic Excess shown in the Schedule towards a claim. There are a number of other Excesses that may also apply, if so these will also be shown in the Schedule.

- A Theft Excess of \$1,000 (incl. GST) may apply for Theft of trailerable power Boats depending on Your location;
- A Theft Excess of between \$1,000 and \$2,000 (incl. GST) may apply for the Theft of personal watercraft, depending on Your location;
- A racing Excess may apply and varies based on the value of Your Boat and length of race;
- An age Excess will apply if You make a claim for an incident where the driver of Your Boat, being a personal watercraft, was under 25;
- A submersion Excess applies on some moored trailerable Boats; and
- Additional Excesses may apply depending on Your risk, for example if Your Hull is a large maxi yacht.

When We calculate the amount We will pay You, We will have regard to the following:

- Where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim (such as services to repair a damaged item insured under the Policy) We will pay for the GST amount. We will pay the GST amount in addition to the sums insured or other limits shown in the Policy or in the Schedule;
- If Your sum insured/limit of liability is not sufficient to cover Your loss, We will only pay the GST amount that relates to Our settlement of Your claim. We will reduce the GST amount We pay for by the amount of any input tax credits to which You are or would be entitled;
- Where We make a payment under this Policy as compensation instead of payment for a relevant acquisition, We will reduce the amount of the payment by the amount of any input tax credit that You would have been entitled to had the payment been applied to a relevant acquisition.

Disclosure – Input tax credit entitlement

If You register or are registered for GST, You are required to tell Us Your entitlement to an input tax credit on Your premium. If You fail to disclose or understate Your entitlement, You may be liable for GST on a claim We may pay. This Policy does not cover You for this GST liability, or for any fine, penalty or charge for which You may be liable.

When We receive this information, We may:

- Charge You an additional premium;
- Cancel Your Policy; or
- Decide not to offer to renew Your Policy.

If You do not provide the information, We may not pay a claim under the Policy.

Temporary extension to the Period of Insurance

If You have been at sea in Your Boat for more than 24 hours and Your Policy would otherwise expire (other than by cancellation), We will provide a temporary extension to the Period of Insurance until 24 hours after Your Boat arrives at its next port. The temporary extension to the Period of Insurance will apply automatically unless, when Your Boat arrives at its next port, You do not notify Us within 24 hours of its arrival to make arrangements to renew Your Policy.

Transfer of interest

If You sell, transfer or give away Your Boat, the cover under Your Policy will cease to apply upon completion of the sale, transfer or disposal as relevant.

Other insurance

If at the time of any loss, damage or Accident that may give rise to claim under the Policy, there is any other insurance Policy covering the Boat or Your liability arising from the use of the Boat as described in this Policy, then We reserve the right to seek contribution from any other Insurer(s). If You are aware of such other insurance, You are required to notify Us. You must also provide us with full information and all reasonable assistance in the recovery of Our rateable proportion of such loss or damage.

- give it to you or your agent in person;

- post it to the address last notified to us.

If you or We cancel the Policy We may deduct a pro rata proportion of the premium for time on risk, reasonable administrative costs related to the acquisition and termination of the Policy and any government taxes or duties that We cannot recover.
